G	O		R	U	L	E		R	O	D	E		R	I	D
L	O														
L	A														
H	A														
A	R	T		R	O	P	E	S		S	O	L	E		

**RULES:** To solve an old adage, start with the words in the top columns and change one letter as you go down the ladder. The green boxes show which letter to change. Letters do not change position with any move. The mystery words at the bottom of the ladder (highlighted in yellow, when unscrambled will form a well-known saying along with "A").
