Last week three classmates (one named Sam), all lost their backpacks (one was colored green), during the school day (one little boy lost his at lunch). From the clues provided can you determine which boy had which color backpack and when he lost it?

**Clues:**

1. Sam did not lose his backpack before lunch.
2. Sal's backpack which was not green, was lost during 3rd period.
3. Sean lost sight of his purple backpack during lunch.
