

# HIDDEN MEANING #1

by SDF

1. TroubleTrouble

1. The word Trouble is written twice, so we have twice trouble. Another word for twice is double, hence the solution:

'DOUBLE TROUBLE'

2. crFACEowd

2. The word Face is embedded 'in' the word crowd. Here the solution is a popular saying :

" Face in (the) crowd "

3.

4

3. Read as 4 + STOP SIGN, (which is a warning type of sign.) Therefore the solution would be 4+Warn, or simply:

'Forewarn'

4. " I " Fort

4. The I in quotations could be replaced by 'self', and a fort is a common 'defense', therefore solution:

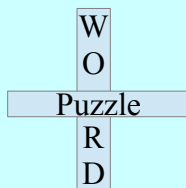

'Self-Defense'

5. GAME

5. The word game is above the horizontal bar, which could also be 'over' the bar, thus we conclude:

'Game Over'

6.

6. (My personal favorite) The word 'puzzle' is stretched over the word 'word', forming a cross. Therefore the solution:

'Cross- word puzzle'
